### Powerful Performance

Upgrade your work performance to the high-speed crisp image quality of the Samsung SF-750 & SF-755P laser MFPs.

- The Need for Speed Fax : With a quick 33.6 Kbps fax TX our contribution to your speed will be significant and the 5 MB of memory stores up to 400 pages of information
- Copy Capacity for Quickness : Samsung sets the pace with a remarkably fast copy speed at up to 16 pages / minute and greater paper capacity with a convenient 250-sheet cassette.
- Crisp and Confident Printing : The fastest laser print speed in its class, up to 16 pages / minute produces crisp, clear 600 x 600 dpi laser images.(SF-755P only)
- Scan Speed and Scale : Quick 1.5 second scanning and elaborate 256 level gray-scale make your productions unparalleled.

- SmarThru™ : Easy document handling software with which the scanned images can directly be sent by email, fax or converted into electronic document or HTML with just one simple click.

- Fax Dials and Battery Back-up : 40 one-touch / 150 speed dials just save you time and the 72 hour battery back-up secure your documents in case of a power failure.
- Easy Operation Panel : Make your work a breeze when you discover how easily you can handle your task with simple one-touch buttons or the clear LCD display to check its status.

### The Ease of Everything

The Samsung high-tech contribution makes your SF-750 or SF-755P biz-partner easier to operate with features to better your business.

- Advanced Printing : Various editing functions like Multiple Pages per Side, Fit to Page, Poster, Watermark & Overlay will make your business documentation more professional. (SF-755P only)
- Zoom Copy and ADF : A wide zoom range of 50 ~ 200% makes your copy fit to your needs. Multi-page documents can be quickly and easily copied without handling, with the ADF (Auto document feeder) and collation features.

### Economical Features

The SF-750 and SF-755P are not only competitively priced, they also have built-in features to save you money.

- Toner Save Button : Allows you to save your toner up to 40 % so you can replace cartridges less frequently and save your money.
- Toll Save Button : Programme your machine to send your faxes after peak day-time call rates go down for the evening.
- Paper Saving : Combine two or four originals on one page.

### Refined & Robust Design

The SF-750 and SF-755P were designed with superior technology inside and insightful consideration for ease of use for business in the real world.

- Space-illuminating style : The refined two tone colour design of white and grey brightens up any work place,

**Versatile Digital Functions :**  
Laser Fax, Copier, Printer and Scanner  
(Printer for SF-755P)

**Great Paper Capacity :**  
The largest paper capacity in its class.
